

REGIONAL REQUIREMENTS FOR THE MARLEN 2ND CALL: FLEMISH PARTNERS

- Funding is provided by VLAIO, www.vlaio.be
- Funding instrument: only industrial development projects are acceptable, cf. [Development project | Flanders innovation & entrepreneurship](#) (EN) [Ontwikkelingsproject | VLAIO](#) (NL)
 - o only companies with economic activities and economic valorisation intentions in Flanders are eligible for funding
 - o other partners (e.g. research organisations) can only take part as subcontractors
 - o manual: <https://www.vlaio.be/nl/media/1827> (EN), <https://www.vlaio.be/nl/media/668> (NL)
 - o cost model: <https://www.vlaio.be/nl/media/2846> (EN), <https://www.vlaio.be/nl/media/2844> (NL)
- Maximum 500.000 € funding request for all Flemish partners per project
- Core data (company data, economic impact for Flanders, budget details) to be submitted to VLAIO at the same time as submission of MARLEN proposal. Costs and activities should fit the industrial development programme (see above). Sufficient economic impact (new employment, investments) of the project for Flanders should be demonstrated.
- It is REQUIRED to contact the Flemish NCP before submission, for a correct understanding of the requirements and the evaluation process:
